EDUCATION

Nirma University

B.Tech in Computer Science and Engineering – CGPA: 8.31/10

Ahmedabad, Gujarat

2024 – 2028

Gangotri School

Higher Secondary (Science) – 98.66%

Gondal, Gujarat

2022 – 2024

PROJECTS

Smart Campus Assistant | Java, Object-Oriented Programming (OOP), Data Structures

- Developed a Java-based smart campus application to automate and streamline daily academic and administrative tasks for students and faculty.
- Applied core Object-Oriented Programming (OOP) principles such as inheritance, polymorphism, and encapsulation to build a modular and maintainable codebase.
- Implemented robust data structures to efficiently manage, store, and retrieve campus-related information, optimizing overall application performance.

SmartCampus Portal | React.js, Node.js, Express.js, MongoDB

- Engineered a comprehensive campus management portal to centralize student, faculty, and administrative operations.
- Developed secure, role-based access controls using JWT to ensure data privacy and tier-specific routing.
- Implemented real-time event notifications, resource sharing, and academic tracking modules to streamline campus communication.
- Designed a RESTful API architecture to efficiently handle complex database queries and user interactions.

Commercial Website Platform | React.js, Node.js, Express.js, CSS

- Designed and developed a responsive, dynamic commercial website optimized for product showcasing and lead generation.
- Integrated seamless navigation menus and interactive UI components to enhance customer engagement and retention.
- Optimized frontend architecture for cross-browser compatibility and improved page load performance metrics.
- Structured a scalable backend logic to handle inquiries, contact forms, and potential customer data efficiently.

TECHNICAL SKILLS

Languages: Java, C, C++, JavaScript

Frontend & Backend: HTML, CSS, React.js, Node.js, Express.js

Databases & Caching: MongoDB, SQL, Redis

Tools: Git, GitHub

Core Concepts: Data Structures & Algorithms, Object-Oriented Programming, Operating Systems, DBMS

Soft Skills: Problem Solving, Leadership, Teamwork, Time Management

ACHIEVEMENTS

- Codeforces:** Pupil (Max Rating: 1236) — [Renish_25](#)
- Secured **All Gujarat Rank 193** in the Higher Secondary Examination.
- HackaMind Hackathon:** Secured a Top 5 position among 300+ participating teams.
- SIH Hackathon:** Participated in national level hackathon.
